

RE: Wage Rate Survey for Electrical Helper

Between the time frame of May 12, 2023 and June 14, 2023, a survey of commercial construction projects within the boundaries of Navarro ISD was conducted to establish Prevailing Wage Rates for jobs not classified by Davis Bacon. The results of the survey show that the minimum rate paid to electrical helpers shall be established at \$18.00 per hour with no fringes. This rate is in line with the rate paid to those workers currently working within the district boundaries.
