

SUPPLEMENTAL ONLINE LEARNING POLICY & FAMILY PROCESS

In accordance with Minnesota Statute §124D.094, the district allows students to enroll in supplemental online courses through Minnesota-approved outside providers. The district serves as the enrolling district and reviews requests to ensure alignment with academic standards and graduation requirements.

Key Timeline Requirement

- Requests for supplemental online courses must be initiated and the student must be enrolled no later than fifteen (15) school days after the start of the course.

Eligibility & Expectations

- The student must be enrolled at Rushford-Peterson Schools.
- The online course must be offered by a Minnesota-approved provider.
- The course must meet or exceed district academic standards and graduation requirements.
- Students are expected to maintain satisfactory progress and communication while enrolled.
- Students must be enrolled at Rushford-Peterson for at least 50% of their day.
- If you are enrolled in online courses, you are classified as a part-time student. Please note that part-time students have last registration priority for course enrollment.

Students interested in supplemental online learning must follow the steps below:

- Contact Mrs. Thompson to discuss academic plan, graduation requirements, and scheduling considerations.
- Select an Approved Online Provider and the specific course they wish to take. It is recommended that students use the registration manual to align the class with the online provider to the Rushford-Peterson course requirements.
- Complete the required online provider application.
- Provide a syllabus from the online provider of the classes that they are supplementing.
- Rushford-Peterson Schools will review the course/syllabus to ensure alignment with district standards and notify the family of approval or concerns.
- After district approval, families complete enrollment directly with the provider.
