All-State Fence Company will assume the responsibility for having underground public utilities located and marked. The customer will be responsible for locating property lines. The customer is responsible for moving all sprinkler heads/lines from the fence line. All-State Fence will not be liable for any damage done to sprinkler heads/lines due to the installation of the fence. The customer is responsible for notifying their neighbors of the time frame of this job (if applicable). Additional charges for extra work not covered in this contract that was requested by the customer will be added to the contract amount. The full amount of this contract along with any additional charges will become payable upon completion of this job. A finance charge of 1 1/2 % per month (which is an annual percentage rate of 18%) will be added to the accounts that are past due. The customer agrees to pay all finance charges plus all costs incurred in the collection of past due accounts.

Note: Price subject to materials price change.
