

# MEMO

**DATE:** April 9, 2026  
**TO:** Doug Eccarius, Superintendent  
**FROM:** Maureen A. Jones, Assistant Superintendent for Finance & Operations  
**SUBJECT:** **Student Fees for FY2026-27**

---

The attached list of consumable student fees is being presented to the Board for approval.

Last month, the Board approved many of the registration fees; however, we did not present fees for consumable items at that time. We needed to obtain quotes on these items before setting fees. The items are meant to be budget neutral, meaning the cost of the items is financed 100% through the student fee charged to parents.

We are recommending increases in some of the consumable items as highlighted in the attached schedule due to price increases from the vendors. These items include I.D. fee, locks, assignment notebooks, gym shorts and gym shirts. Items in yellow on the attachment have been increased. Items in light orange will remain the same as the 2025-26 fee.

We will review these consumable fees again in the Spring of 2027 for any increases that might be applicable to the 2027-28 school year.
