STUDENT PHOTOGRAPHS - SCHOOL PICTURES

The Principal/Designee of each school is responsible for selection of the photographer to take student pictures. Selection will be based on the best bid in terms of value to the students.

Each year parents/legal guardians will be given the option to withhold permission for public news media interviews or photographs of their ~~child~~ student at school.

Partisan, sectarian, or denominational doctrines may not be advocated in a public school during the hours the school is in session. This includes filming of campaign advertisements or other spots which advocate a certain position or opinion. This policy is not intended to limit the use of debates for instructional purposes, nor is it intended to limit the use of school facilities for organized debates.
