Principal Misner's Message.....

When summer tips into fall, and daylight savings time ends, we know winter is just around the corner. We are nearing the end of the first quarter of school so that means the most important duties on our calendar are November 18 and 19, Parent Conferences. We would like to have all our teachers see many parents and families so that our students can share their progress in school. I would really encourage you to bring your student to the conferences so that the information shared by our teachers can be supported at home.

The school months of November and December are short on student days and long on family days. Please encourage your student to attend as many days of school as possible. Because there is only 5 weeks after Christmas until the semester ends, I would like all students to start the Winter Vacation fully up-to-date with school work.

We would like to invite the North Valley Community to attend our school on the weekends of November 6-7 and 13-14. Rob Money and our students have put in significant work and practice to make our fall drama production of "Play On" by Rick Abbot, a family entertainment evening. Our students love playing to large audiences.

Winter sports are in the planning stage and we will have several home contests in Basketball, Wrestling, Swimming, and Bowling before the holidays.

You should have gotten your student's state assessment scores from last year. I am proud to say that North Valley was the top scoring high school in the county in the areas of Language Arts and Math.

I hope you and your family enjoy a great set of holidays.

Dennis Misner

Holidays*

Pink Week Success...

North Valley FBLA hosted Pink Week October 5-8. The event kicked off with an assembly on October 2. The students heard first-hand accounts of breast cancer treatments from three survivors. In addition, a fashion show was held to model the dress-up days for Pink Week. Cookie-grams and "Time to Tackle Breast Cancer" shirts were sold with proceeds going to the Connie Fiske Memorial Fund. In addition, the athletic program donated 20% of the gate from the volleyball and football games that week. Over \$1500 was raised for the fund. The event continued at Friday night's football game with the North Valley Knights donning pink football jerseys. Survivors were honored during halftime and 100 pink balloons were released after a moment of silence for the breast cancer warriors who lost the battle but continue to inspire us. FBLA would like to thank their sponsors for this event: Josephine County Foundation, Body Cover Design, and Rogue River Florist.
