

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: May 18, 2026

AGENDA ITEM: Consider Approval of Viva Railings Proposal to Upgrade and Repair Railing System at Aledo Middle School Cafeteria

PRESENTER: Caleb Bell, Chief Facilities and Construction Officer

BACKGROUND INFORMATION:

- Renovations of AMS Viva Railing System was selected for use in the high traffic areas in and around the cafeteria.
- After installation during the recent renovation of AMS, multiple railing sections experienced failures or damage prompting evaluation of design and use conditions.
- A mock up was installed at AMS in the fall of 2025 to test durability and proof that solution was viable.
- The redesigned system has a more robust, welded connection approach and solid rails. It has performed as intended and given us confidence it can be a long term solution.

FISCAL INFORMATION:

The final project cost to repair and replace broken sections is \$67,486. This will be funded by 2019 Bond funds.

ATTACHMENTS:

Vival Railings Proposal

ADMINISTRATIVE RECOMMENDATION:

Administration recommends approving the upgrade and repair of the railing system as presented.
