Background Information:

Manor ISD continues to complete projects financed with interest earnings from the 2019 Bond while also implementing additional eligible projects supported by those funds to address district facility needs. These efforts support facility improvements, safety and security measures, infrastructure needs, and technology upgrades across campuses. The work focuses on maintaining safe, reliable, and efficient learning environments while addressing aging systems and ongoing maintenance needs across the district. As part of ongoing capital improvement planning, Manor ISD periodically invests in key systems such as building mechanical infrastructure and instructional and operational technology to maintain reliability, efficiency, and functionality across district facilities.

Updates on \$4.1M Allocated to:

- HVAC upgrades to improve reliability, energy efficiency, and indoor air quality.
- Technology refresh upgrades to replace aging devices and update critical instructional and operational technology.

Fiscal Implications:

None
