The decedent was located with multiple sharp force injuries from intentional self-harm. Dr Wagner determined that the cause of death was from exsanguination. The manner is suicide.
04-0312-AR-2026	Alpena	Release to Funeral Home	03/12/2026	69/M was found dead at his home. No medical care in several years. Dr Wagner determined that the cause of death was an AMI. The manner is natural.
04-0320-BH-2026	Alpena	Sent to Autopsy Facility	03/20/2026	6-month-old involved in motor vehicle accident. The decedent's mother was traveling in a 2022 Suburban on M-65 in icy conditions. It was reported she was traveling 65mph. The suburban crossed the center line into oncoming traffic, struck a single-cab pickup, and went into the ditch. This was witnessed by two individuals. Extensive damage to the front and passenger side of the suburban. The vehicle had three rows of seating with mom in the passenger seat, another child in a booster seat directly behind mom, the decedent in a car seat on the passenger side of the third row, and another child on the left passenger side of the third row. The decedent's car seat was on the side of the vehicle with the most damage and was pushed into the center row of the vehicle, with a split headrest. The decedent was transported to the hospital where she was pronounced deceased.
04-0324-RT-2026	Alpena	Release to Funeral Home	03/24/2026	61/M was inpatient at MyMichigan in Alpena. Decedent was brought to ER via ambulance for shortness of breath. He was being treated for COPD, septic shock, renal failure, and AMI. Hx of a-fib, asthma, COPD, GERD, hypertension, ITP, neuropathy, type 2 diabetes, and venous insufficiency. Dr. Wagner determined the cause of death was AMI. The manner is natural.
04-0329-CD-2026	Alpena	Release to Funeral Home	03/29/2026	65/F with Hx of lung cancer not under hospice care. Dr Wagner determined that the cause of death was complications of lung cancer. The manner is natural.
