SUPPORT SERVICES GOALS - PRIORITY OBJECTIVES

The Nye County Board of Trustees recognizes that the business operations of the school system are essential, yet ancillary and auxiliary, to the primary function of the school system, which is education. To fulfill this secondary but important function, it is the intention of the Board to:

- Ensure the proper operation and maintenance of school buildings, vehicles, equipment, and services; to set high standards of safety; to promote the health of pupils and staff; to reflect the aspirations of the community and to support environmentally the efforts of the staff to provide instruction.
- Encourage, through the Superintendent and staff, the establishment of efficient and businesslike procedures for the management of buildings and grounds, offices, vehicles, equipment and supplies, and the food program.
- Encourage the establishment of a thorough, effective, and economical maintenance program, including preventive maintenance that will ensure a useful life of school property, vehicles, buildings, and equipment.
- Encourage the adherence to generally accepted management principles and applicable laws and regulations when establishing policies and regulations in these areas.
