

# Clara Brownell Middle School

May 2026

Spring fever is in full effect at CBMS! The warmer weather makes for great opportunities to extend learning beyond the classroom walls. Our students in the life skills classroom learned about butterflies, raising and releasing their own batch into the wild. And students in our linguistically gifted classes capped their unit on the great outdoors by taking a trip to the marina to make a campfire and roast marshmallows.

Spring is also testing season. Spring MAPs, state testing, and end-of-year classroom assessments are keeping students and staff busy, so it is more important than ever to incorporate fun activities and experiences that balance out the heavy workload. Assemblies, field trips, and our end of the year behavior party are scheduled strategically throughout the month to break up the monotony.

## Upcoming events:

- May 15: Final data teams for the year
- May 19: CBMS/UHS Spring Concert

## Athletics

CBMS Track & Field finished up their season May 8th at the Stanfield meet. Based on hand times, we initially thought we had a few students qualify for the state competition; however, official times put them just outside of qualifying.

Family Health Associates is once again providing physicals for students at the school. This is a great opportunity for our families and student athletes. We are grateful for the continued partnership.
