Background Information:

Manor ISD requests approval to submit the 2026–2027 Optional Flexible School Day Program (OFSDP) application to the Texas Education Agency for Manor Excel Academy (MEA). The OFSDP allows the district to provide a flexible instructional program for students who have dropped out of school or are at risk of dropping out and supports alternative scheduling, individualized graduation plans, and dropout recovery services. Approval of this application will allow Manor ISD to continue operating MEA under OFSDP guidelines for the 2026–2027 school year. This application is due to the Texas Education Agency on an annual basis.

Fiscal Implications:

There is no additional cost associated with submission of the OFSDP application. Approval allows the district to continue participation in the Optional Flexible School Day Program and receive state funding in accordance with TEA OFSDP requirements. Normally, students must be present at a particular time to draw down funding. OFSDP allows flexibility on how and when students are counted present.

Administrative Recommendation:

Administration recommends approval of the 2026–2027 Optional Flexible School Day Program (OFSDP) application for Manor Excel Academy and authorization for submission to the Texas Education Agency.

Motion Language:

I move that the Board of Trustees approve the Optional Flexible School Day Program Application as presented.
