

Board Meeting Date: 5/5/26

Title: Long-Term Financial Planning and Potential Future Funding Considerations

Type: Discussion

Presenter(s): Dr. Daniel Bittman, Superintendent

Description: This agenda item provides an opportunity for a preliminary School Board discussion related to long-term financial planning and anticipated future needs. The conversation will focus on maintaining a shared understanding of emerging priorities, including areas such as safety and security, aging facilities, building capacity and early learning.

Recommendation: No decisions or actions are planned at this time.

Desired Outcome(s) from the Board: This discussion is intended to support thoughtful governance and ensure adequate time for reflection before any potential options are considered further or brought forward for broader engagement.
