Re: Approval of School Specialty Furniture Replacement at Coppell Middle School North, CTE Center at CHS, and New Tech High @ Coppell

As part of the 2023 bond election (Proposition A), as a campus receives an interior refresh, or addition and renovation, the campus will also receive new furniture. This includes the refresh at CMS North and the CTE additions at Coppell High School. Also, with the relocation of New Tech High @ Coppell to Coppell High School, additional furniture will be needed for various areas, including the new collaborative spaces.

School Specialty was awarded the furniture contract for the furniture replacements at the February 26, 2024, regular Board meeting. Classroom, library, and office furniture has essentially been standardized for all furniture replacements with some variations for student age level, materials, and colors. The pricing per unit for these three projects from School Specialty is the same pricing and discounts as for all prior furniture replacement projects. The total cost per campus is as follows:

Coppell Middle School North	\$1,860,324.14
CTE Center at CHS	\$ 403,997.84
New Tech High @ Coppell	\$ 424,020.37
Total	\$2,688,342.35

The total cost of **\$2,668,342.35** includes \$200,000.00 in contingency for unforeseen needs or missed pieces that will only be spent if necessary. The total cost also includes shipping, assembly, and installation. \$2,890,750 was allotted in Bond Proposition A for these projects for furniture additions and replacement.

The proposal from School Specialty was procured in accordance with Texas Education Code §44.031 through the district's membership with TASB Buyboard. School Specialty is one of the nation's largest premier suppliers of school furniture, equipment, and supplies. As a district, we have used School Specialty for many years with great success.

The furniture will be delivered, assembled, and in place in the three spaces before our staff returns from summer break in August, 2026.

RECOMMENDATION: That the Coppell ISD Board of Trustees approve School Specialty as the vendor to supply the furniture replacements at Coppell Middle School North, CTE Center at Coppell High School, and New Tech High @ Coppell at a total cost not to exceed \$2,668,342.35.
