Estimated Transit Times

Please factor in the following lead times when arranging for delivery of our printed materials.

Shipping varies by location and shipping method from our warehouse in Littleton, MA. Locations considered to be remote, including locations within contiguous and non-contiguous states, may require additional transit days and special carrier services. See the maps below for further explanation.

*The threshold for UPS orders may be raised during peak season (i.e., June–September). Please note that UPS deliveries may arrive over several days.

Additional Tips for Successful Delivery:

- Indicate on your Purchase Order if you would like to ship to a central location, such as a district warehouse, or to individual schools.
- Select a delivery window when someone will be at the delivery location to accept the order.
Notify others, such as front office or custodial staff, about the delivery.
