

Multi Tiered Systems of Support

Gina DiFiglio

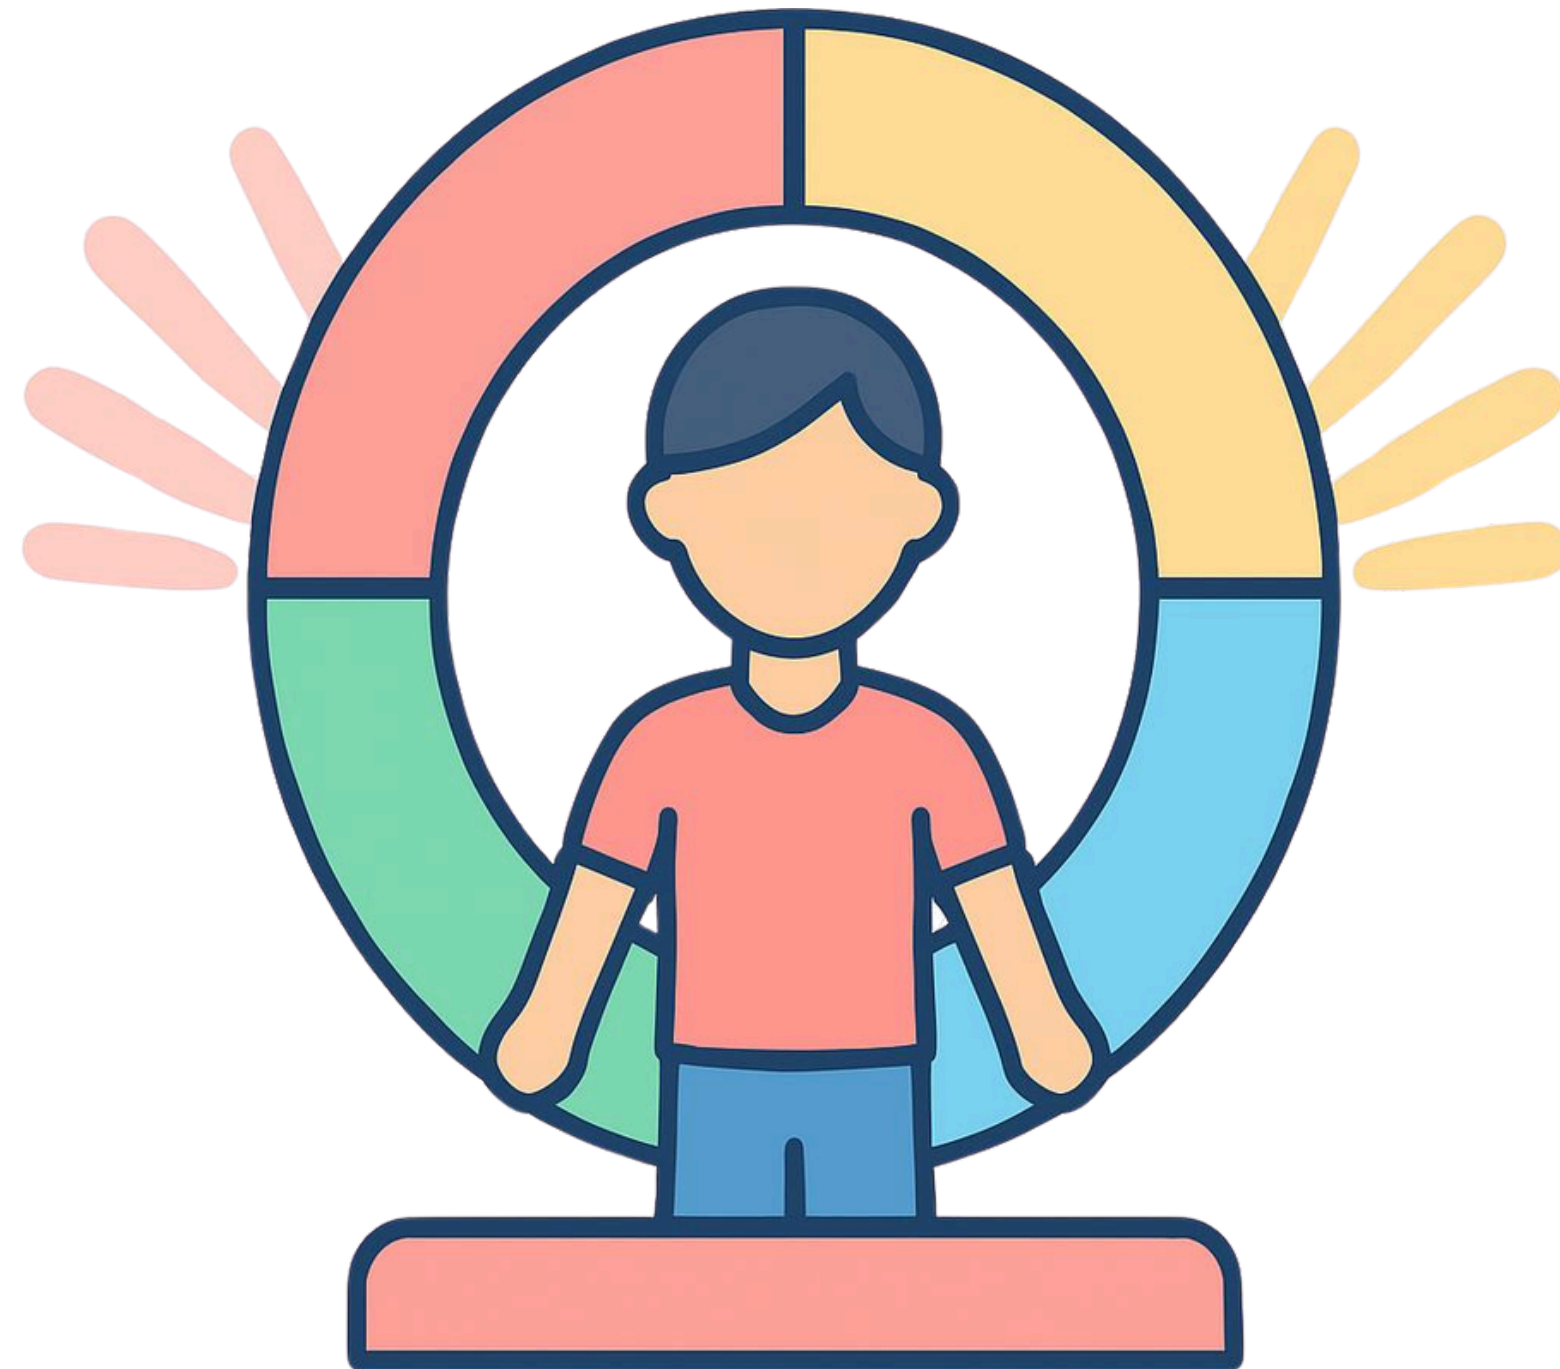

A stylized graphic of a hand with fingers spread, rendered in a light orange color, positioned in the upper left corner of the slide. The background is a light orange color with a blue wavy shape on the right side and a white wavy shape at the bottom left.

Purpose

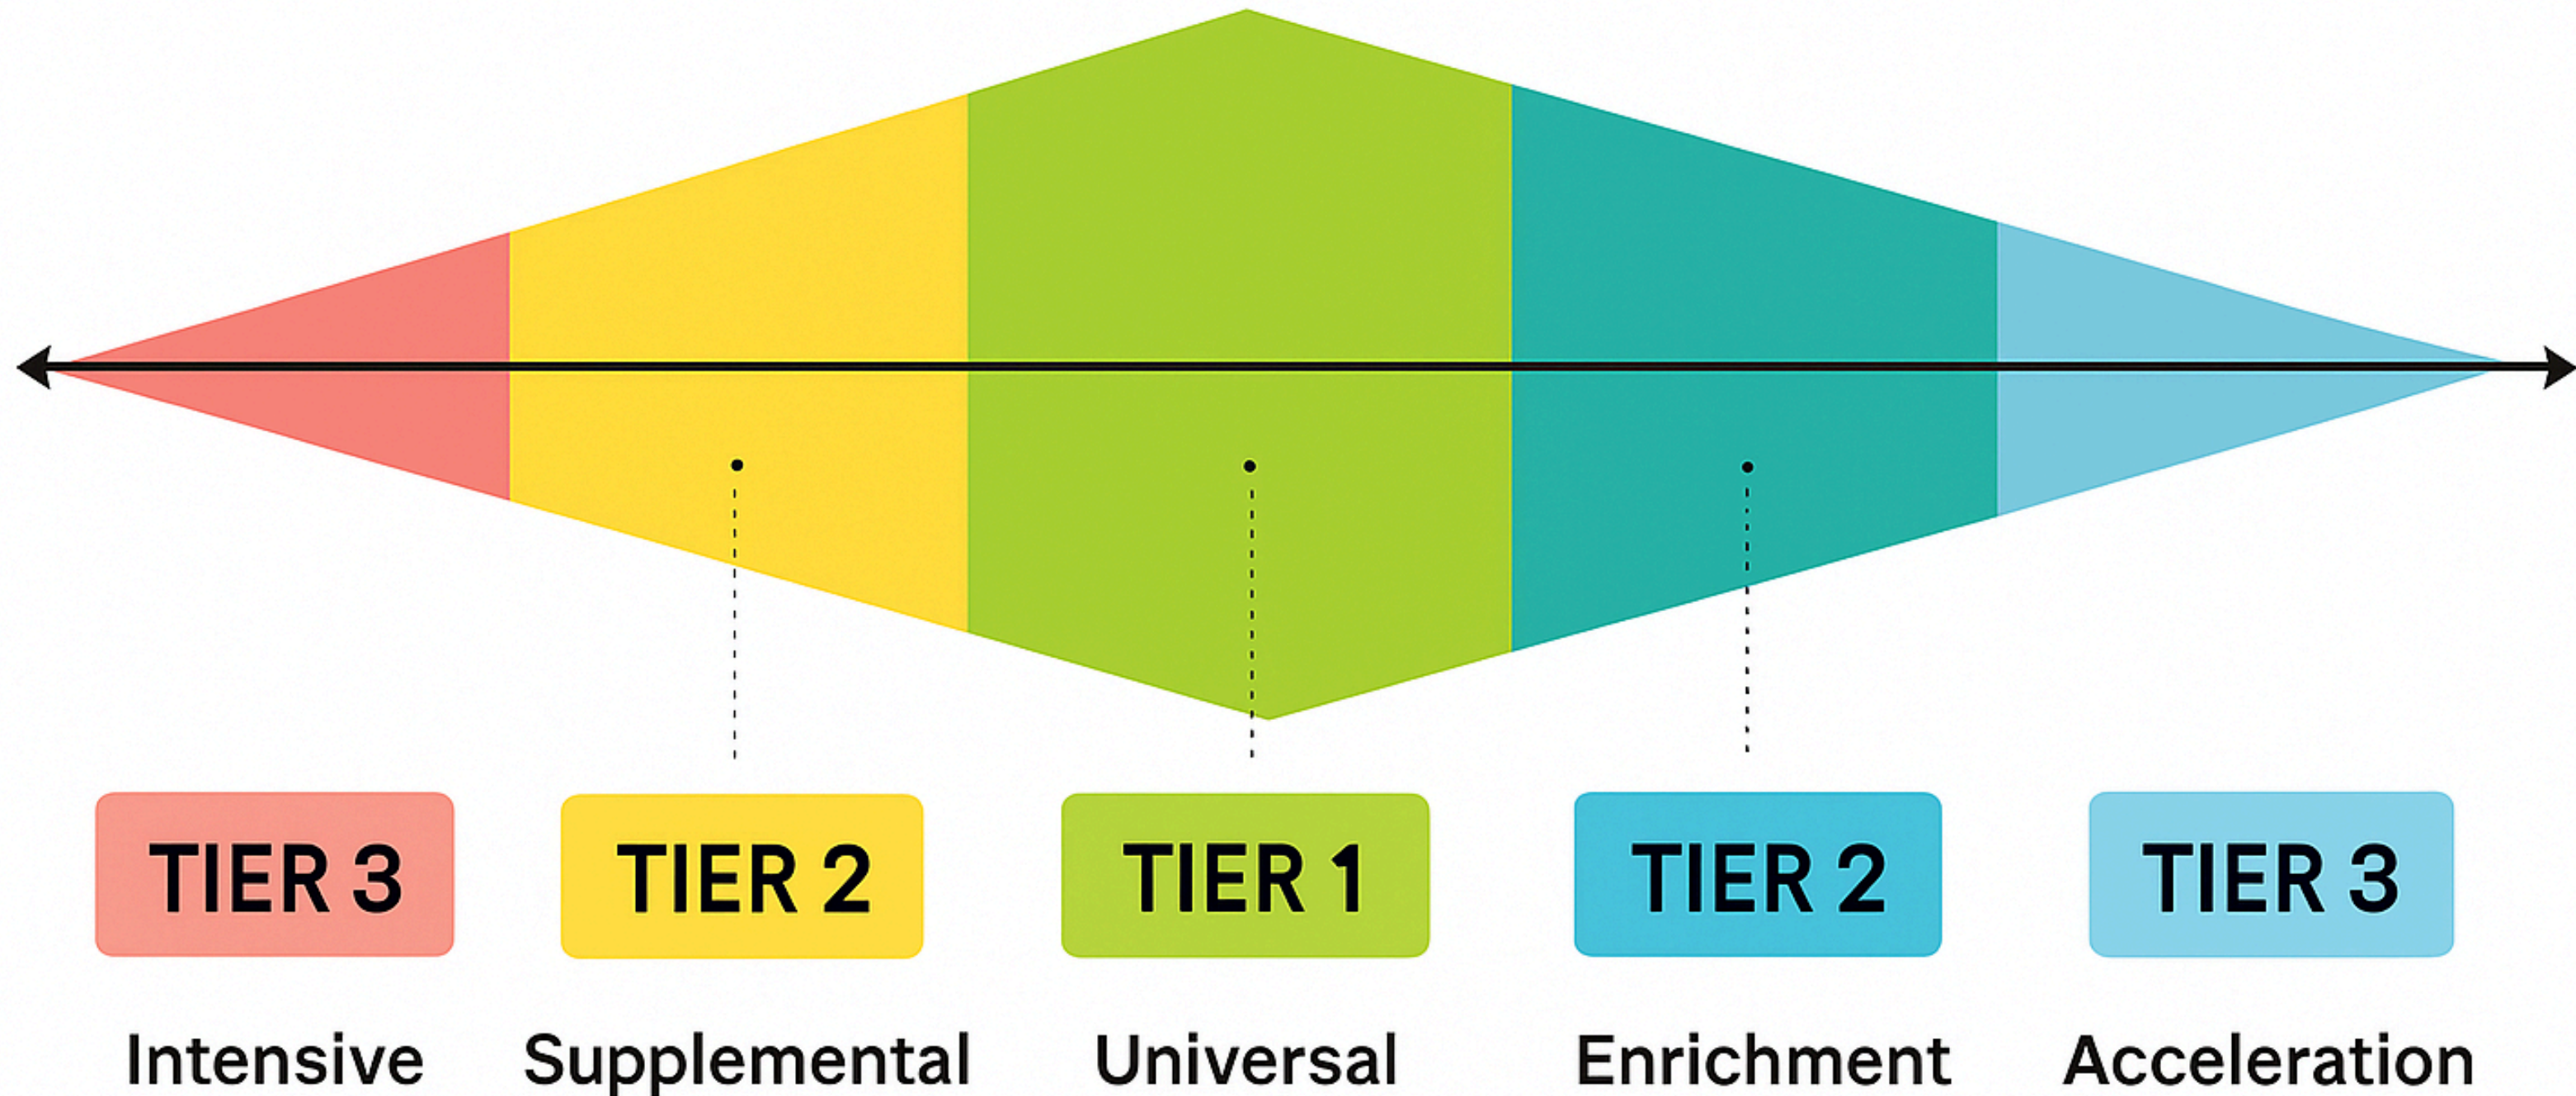

Provide students what they
need to be their best self
and rise to their true
potential.

Viewing the WHOLE child

Safe, Healthy, Engaged, Supported,
and Challenged

MTSS Framework

What does MTSS include?

English Language
Arts

Spanish Language
Arts

Mathematics

Social Emotional
Learning

Speech

Enrichment and
Acceleration

Identifying Students

Instructional Screeners

MAP Reading
MAP Reading Fluency
ileady
SAEBRS and mySAEBRS
CoGAT

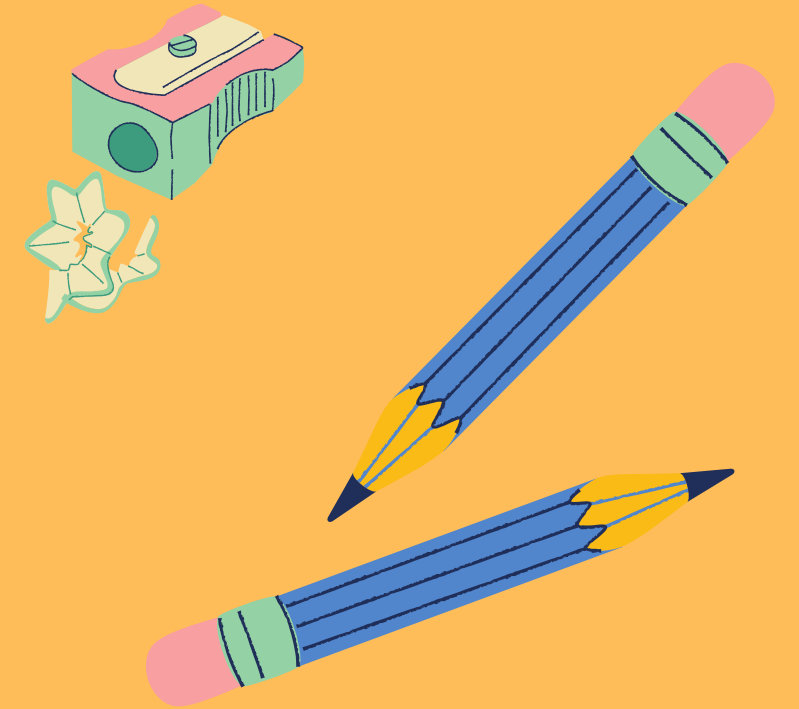

Parent Recommendation

Parent reaches out to building principal
or classroom teacher

Teacher Recommendation

Digital Referral Process

Then what?

Student receives intervention

Progress monitored (bi-weekly)

Make decisions

Analyze student data

CHANGES

from last year

Caseloads

Digital Referral Process

**Streamlined Progress
Monitoring**

Strategic Data Meetings

Up and Coming

- Building Principals taking a more active role in progress monitoring
- Instructional Coaches more involved in the MTSS Process
- Transitioning to data analytics within PowerSchool
