Recommendation(s):
Approve the attached CESA1 Contract for the 2026-2027 School Year.

Background:
This is an annual item that requires Board approval. We have a strong partnership with CESA1 for programs and services to help meet the needs of our students and professional development opportunities for staff such as:

- Seats at CESA1 programs for students with disabilities who need alternative placement. (This number will fluctuate throughout the year based on student needs.) We do not pay this tuition unless a student is actively in the seat.
- Leadership networking and learning opportunities.
- Our continued partnership with the Institute for Personalized Learning.
