The School Board supports the well-being of all employees and recognizes the benefit to the school system and students of a healthy workforce. The Board also recognizes that ~~s~~School ~~d~~District employees may have personal ~~problems~~issues which can have detrimental effects upon job performance and student safety. Many personal ~~problems~~issues are easier to resolve when they are addressed early, before they reach disabling proportions. The Board encourages employees to seek help when such ~~problems~~issues exist and to take advantage of the resources that are available to assist them.

Employees shall have confidential access to information about community resources that address personal ~~problems~~issues. This information shall be available, on a voluntary basis, to all employees, spouses and dependents.

(cf. 4020 - Drug and Alcohol-Free Workplace)

Management and supervisory staff shall be knowledgeable about the ~~d~~District's employee assistance program. When there are indications of declining performance, attendance problems, or on-the-job behavioral problems, supervisors shall consult with the Superintendent or designee to explore the resolution of such problems.

Note: The federal Americans with Disabilities Act, Section 104 states that an employee who uses drugs or who is an alcoholic may be held to the same job performance standards as held for other employees, even if any unsatisfactory performance is related to the drug use or alcoholism. Section 104 also states that an employer cannot discriminate against an individual who has successfully completed a supervised drug rehabilitation program or an employee who is currently participating in a supervised rehabilitation program and no longer engaging in drug use. The following optional paragraph clarifies that although participation in the assistance program is risk-free, the district reserves the right to discipline in accordance with its existing policies and procedures.

Participation in the assistance program will not jeopardize the employee's employment or career advancement, nor will it protect the employee from disciplinary action for substandard job performance.
