Re: Estimated 2026 Preliminary Taxable Value

The following value is provided in compliance with the requirement of Section 26.01 (e) of the State Property Tax Code. It is an **estimated taxable value** which is based on information presently available. The 2026 Appraisal Review Board still has to hold hearings and certify the final values. The estimated value is still subject to considerable changes due to value losses from protested properties, late filed Homestead applications and late filed Ag Appraisal applications.

2026 Certified Estimate of Taxable Value For **Huckabay ISD (Eastland Co.):**

\$4,772,963
