

Scott Johnson Elementary

March 2026- Monthly Board Report

We had the SHSU Men's Basketball team come and greet our students this past month. Students were so excited to have a special guest open their car doors and greet them first thing in the morning. We also have collaborated with the team to give out 310 student tickets for perfect attendance recently. Go Kats!!

Our second annual Pre K Bedtime in a Box kicked off recently. Bedtime in a Box is prepared for parents and caregivers, especially those in low-income households, to help provide the tools to nurture their children in developing habits that will last a lifetime, improve early literacy outcomes, and support the link between home and school. It is more than just getting ready for sleep. It's a time to talk, laugh, play, learn, and imagine while in the bath or in bed. The Foundation provided an age-appropriate box to each student which contains books; bath wash, a towel, and bath toys; a toothbrush and toothpaste; pajamas; a stuffed animal; an alarm clock; a Teach My Learning Kit; and a kid-friendly routine log.

Vision

Scott Johnson Elementary will be an "A" rated school.

SJE has set high expectations for learning and growing. We were eager to get our Spring Benchmark data to focus on areas to improve and continue to grow in. This is our 5th Grade Science Growth Celebration before Spring Break! We created incentives to celebrate student achievement and growth from Fall TEKS Assessment to the Spring TEKS Assessment!
