- the student is at risk of dropping out of school, as defined by the TEC, §29.081.
- the student, as a result of attendance requirements under the TEC, §25.092, will be denied credit for one or more classes in which the student has been enrolled.
- the student is attending a campus with an approved early college high school program designation.
- the student is attending a campus implementing an approved innovative campus plan; or
- the student is attending a community-based dropout recovery education program, as defined by TEC, §29.081 (e-1) or (e-2).

The goal of the program is to improve graduation rates for students who are in danger of dropping out of school, have dropped out, or who are behind in core subject courses.
