

Artificial Intelligence (AI)

School Board Work Study Session 6/1/2026

CENTENNIAL
SCHOOL DISTRICT 12

CONNECTING. ACHIEVING. PREPARING.

Recent Journey with AI

Voice Assistants

The Alexa logo, featuring the word "alexa" in a blue, lowercase sans-serif font with a curved arrow underneath.

Early interaction models like Alexa and Siri

Generative AI

Create text, images, audio, video, or code

Agentic AI

Autonomous systems that plan and execute tasks

AI Advisory Group

Collaborative Foundation

- Wide representation across sites, departments, and levels
- Partnered with Quantum Bridge Solutions (QBS)

Timeline

Held two working sessions during **Winter 2026** to establish a strategic direction for AI implementation.

Strategic Takeaways

H-AI-H Principle

Human - AI - Human: Ensuring human oversight at every stage of the process.

Policy Framework

Identified the need for a structured policy to guide safe AI usage.

Practical Application

Focused on continuous learning and application for staff and students.

Model Policy 625

Development and Revision History

Initial draft from MSBA/QBS: 13 pages

Current version focuses on high-level policy, omitting specific procedures.

The new policy is aligned with existing school board policy:

 **403** Discipline, Suspension, and Dismissal of School District Employees

 **506** Student Discipline

 **514** Bullying

 **524** Technology Acceptable Use and Safety

Next Steps

Policy Adoption

Adopting Policy 625

Staff Awareness

Introducing staff to policy

H-AI-H Integration

Emphasizing best practice of Human-AI-Human

Procedural Refinement

Refining procedures from QBS draft

Professional Development

Staff professional development initiatives

Ongoing Growth

Commitment to continued learning

Discussion/Questions
