

### **May School Board Report: Clay Olstad, Activities Director/Dean of Students**

- True Team was a great success this year, and we received a great deal of positive feedback from coaches and spectators from other schools. Thank you to everyone who helped make the day run smoothly. A special shoutout goes to Corey Mattson and Dale Moga, who both played major roles in ensuring the event ran efficiently throughout the day.
- We will host the Minnesota State High School League Track and Field Subsection meet on May 20th.
- We are also excited to recognize several student-athletes who will continue their academic and athletic careers at the collegiate level:

Shelby Tesch – Softball at Rochester Community and Technical College

Torryn Schneider – Volleyball at Western Technical College

Isaac Rasmussen – Cross Country & Track and Field at Minnesota State University, Mankato

Trey Hegland – Cross Country & Track and Field at Luther College
