

MESD scholarship fund

We invite you to make a gift toward MESD Student Scholarships. This opportunity for students would not be possible without people just like you. We are making a difference in students' lives with a little bit from a lot of people. Each of us who give is part of the many people giving what they can to collectively impact making the college dream real. 100% of your contribution goes directly towards granting financial awards to our motivated, deserving students.
