D33 Strategic Plan 2031 - Board Presentation

Background or historical information:

This is the last year of our strategic plan. The strategic planning team had 6 meetings together to review our current action plan, audit results, and proposed statements for the upcoming refreshed strategic plan.

Previous decisions, actions, or parameters that relate to this topic or issue:

Six years ago, the board of education approved and adopted the current strategic plan. As the district proposes the updated strategic plan for the next 5 years, we are seeking board approval with our new goals and strategies to focus on for the next 5 years.

Recommendations:

After reviewing the plan as well as hearing about the overview on June 4, we are hoping the board will approve the new strategic plan that will be from 2026 until 2031.
