Homedale Board of Trustees,

It has been a good spring for Homedale athletics. District competition is finishing up this week.

## **Baseball-**

Varsity baseball finished their district tournament as the number three seed. They also finished the regular season as the number two ranked team in the state, which qualifies them for the state super regional tournament. They will be traveling to Kimberly this weekend to play the best two out of three. If they win that series, they will move onto the final four, which will be the state championships. That will be played of CSI in Twin Falls.

JV Baseball finished the regular season as the number two seed and got second place in their respective district tournament.

## **Softball-**

Varsity finished as the number 4 overall seed in conference play. They lost to Fruitland in the 3rd place game Wednesday night. The team finished the season with an 8-15 record. Looking forward to next year. The 8th grade class has a lot of high level softball players in it.

## **Track-**

Track is having a great year with multiple kids setting PR's at almost every event. District track is this Thursday and Friday in Weiser. State will be the following weekend. We should have several kids qualify for state.

## **Golf-**

District golf was held at Scotch Pines yesterday. No Homedale golfers qualified for state. The boys team was the only one based on regular season scores that had a chance to qualify. All of the boys posted scores much higher than their regular season average.

**Tennis-**

The tennis program has been improving all year. Their district tournament starts this Thursday.
