

MERIDIAN TECHNOLOGY CENTER

August 14, 2024

Mr. Uwe Gordon
Stillwater Public Schools
314 Lewis St
Stillwater, OK 74074

Dear Mr. Gordon,

I hope you are off to a great start for a successful school year.

The attached form is a Memorandum of Understanding with our partner school districts concerning the academic credit options provided at Meridian Technology Center. As a requirement of the Oklahoma State Department of Education's Accreditation Department, Meridian Technology Center is required to have documentation available from our sending school's local board approving mathematics, science, and computer science courses to be counted for graduation credits.

All of Meridian's programs meet the qualifications for SB 1370 to fulfill the requirements for the third math and/or computer science credit for students on the CORE curriculum. A student must attend one year to earn a credit. To earn both math and computer science they must attend two years. The CORE curriculum counts for high school graduation only. It does not meet college entrance requirements or OK Promise requirements.

Please complete the enclosed Memorandum of Understanding (MOU) and return the original to me at your earliest convenience.

Also enclosed you will find 2024-25 Unit Transcribing Options and Codes containing a list of courses, including OCAS codes, for students needing academic credit.

Sincerely,

Douglas R. Major, Ed.D.
