3. Review of the previous month
 - a. Activities- This month students went to SOU for Caezar Chavez, Black Youth Summit, QSA, and Mathletes. Students are going on an ocean field trip to the coast for SMILE. FFA put on an auction, which was a huge success.
 - b. Academics- We are down to 258 incompletes. That is down more than 100 from a couple of weeks ago.
 - c. 3R climate and culture- staff have written 4634 positive notes to students. And Red Leader notes are at 801. That is student to staff or student to student.
 - d. Conferences-. We had 29% attendance and 28.8% of parents contacted by phone
 - e. Safety - During an advisory we went over what to do during a lockdown when students are not in class. This month we had a false alarm lockdown drill during lunch. Our students did great and knew what to do. We also had a Secure where our kids and staff did a fantastic job!
 - f. Accreditation review- We went over our accreditation score. We scored 332 which is "Accredited w/Merit"
4. What is on the Horizon
 - a. Extracurriculars-for spring we offer boys & girls golf, softball, baseball and Track & Field.
 - b. Recognition assembly- At the end of May we will have an assembly giving out student awards.
 - c. Incoming Frosh day and night- We will host the incoming freshman and families on May 4th. We will have hot dogs, chips and cookies for all families. They will meet teachers, participate in a scavenger hunt, see what activities and sports are offered and take a tour of the school.
 - d. Scheduling update- We are in the process of making next year's schedule. We are adding advanced AP Biology. We will have a ½ time health teacher next year.
 - e. State testing- We are in the middle of state testing. We should be done in the middle of May.
5. Title I

- a. Parent Involvement~We have gone over the parent involvement. We are keeping it the same we are just removing “Before School tutoring”
 - b. Compact statement~ We have gone over the Compact statement. It looks good and we'll keep it the same.
6. School Improvement Plan
- a. Review - We went over last year's school improvement plan. We will make appropriate changes.
 - b. Needs-
 - c. Action plan~ PLC's, Learning walks, activities during advisory and lunches.
7. Council Recommendations
- a. It was suggested that during conferences that every parent receive an invoice so it doesn't embarrass the families that owe money.
