

Unity School District - Board of Education

Board Policy 151.1

Dissemination of Policies

Last Revised 3/14/2023

~~In order for the Board of Education to publish and maintain policies, it is necessary to set rules for dissemination.~~

School board policies are public records subject to public inspection, review and copying upon request in accordance with the Wisconsin Public Records Law.

Therefore, the Board of Education directs the District Administrator to maintain an official copy of Board Policy to be kept in the District Office.

The Board of Education directs the District Administrator to post the Board of Education Policies and Administrative Rules on the District Website in a searchable format.
