

Post Prom is requesting the use of the school for Post Prom activities. We are planning a Live Among Us game using some high school classrooms, the elementary library, other classrooms with teachers' permission along with the commons for food and bingo and both gyms for other activities. We are also requesting a bus to transfer students from Northome to Kelliher at the end of the night. Maggert Transportation has confirmed they have a bus available.

Kelliher will be hosting Prom this year and Northome organizes Post Prom. We have been in close contact with Kelliher's Prom advisor, and the Kelliher School Board approved the itinerary as follows:

## **Tangled PROM 2026**
