

PUTNAM COUNTY COMMUNITY UNIT SCHOOL DISTRICT #535

Information for the Board of Education

Meeting: April 21st, 2026

Item: Approval of Considering Alternate Plans for Long-Range Facilities Planning

Information: As requested by a member at the regular meeting in March 2026, this item has been added to the agenda for consideration.

Approval of this agenda item means the Board of Education would work with the District architect, Larson & Darby Group, to develop alternate plans to consider and compare to the existing, tentative renovations and additions at PCES and PCJH.
