

***Killeen Independent School District
Board Agenda Item Information Sheet***

Date: June 9, 2026

Agenda Item Caption: Update on Third Future Schools – Manor Middle School Transition

Purpose of Agenda Item: Information only

Administrative Recommendation: None; for discussion.

Background Information: Administration will provide the Board of Trustees with an update regarding the implementation of the Manor Middle School partnership with Third Future Schools (TFS) under the district's charter authorizing framework.

The presentation will include an overview of transition activities completed to date, student registration and enrollment efforts, staffing progress, governance and accountability structures, oversight and monitoring expectations, and key implementation milestones leading to the opening of the 2026–2027 school year. The update is intended to keep the Board informed of launch readiness and ongoing collaboration between Killeen ISD and Third Future Schools.

Fiscal Analysis: No action is requested. Fiscal impacts associated with the partnership are governed by the approved performance contract and associated funding agreements.

Regulatory Requirement: The district serves as the authorizer of the Manor Middle School partner-managed charter campus pursuant to Texas Education Code Chapter 12 and SB 1882 provisions. Periodic Board updates support governance oversight and monitoring responsibilities.

Contact Person for Additional Questions/Information:
