Background Information:

Rebecca Tome is being recognized by the Temple Rotary Club as the Rotary Educators of the Month for April for her outstanding service to Belton ISD. Rebecca serves as a Music teacher at Burrell Elementary. Rebecca is in her 15th year in education, 10 of those being with Belton ISD.

Wendy Ingram, Instructional Coach at Burrell Elementary, stated the following about Rebecca:

Rebecca Tome is an exceptional teacher and deserving of recognition by the Rotary Club. Mrs. Tome has taught in various grade levels and is able to perform her duties in those roles with exceptional skill. She is an excellent English Language Arts teacher and incorporates some of those standards in her current position as a music teacher. She puts forth a tremendous amount of time and effort in developing exceptional learning experiences for her students. Her passion is in teaching music, and she currently excels in providing musical experiences that are fun, engaging, and promote appreciation for music.

Mrs. Tome also chooses and produces excellent programs for our students, parents and the community. The programs offer students memorable experiences, and the students talk about the experience for many days after the show. She provides a “musical spark” that causes many students to develop an interest in playing musical instruments and singing. She is inspiring, kind, and loved by many.

Not only does Mrs. Tome create exceptional learning opportunities and programs, but she delivers content with strength in discipline and a genuine empathy for the students. She respects each and every child and has high expectations for all students. Our campus is so very fortunate to have Mrs. Tome introducing and developing musical skills in our students.
