# SMS Summer School

## READING GROWTH MEASURE

# SMS Summer School

## MATH GROWTH MEASURE

# *SMS Summer School*

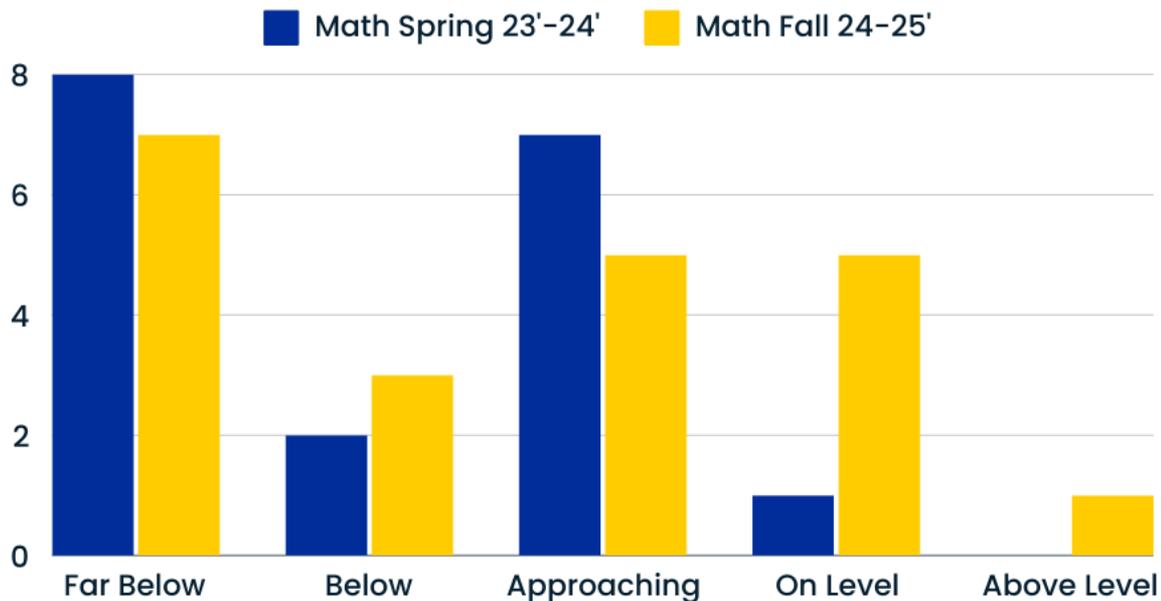

<b>Content</b>	<b>Average Growth</b>
Reading	4.21 months growth
Math	4.6 months growth

# *SMS Summer School*

- **Impact Past End of Session**
  - NWEA Map Growth Comparison
    - Spring 24' screener results
    - Fall 24' screener results

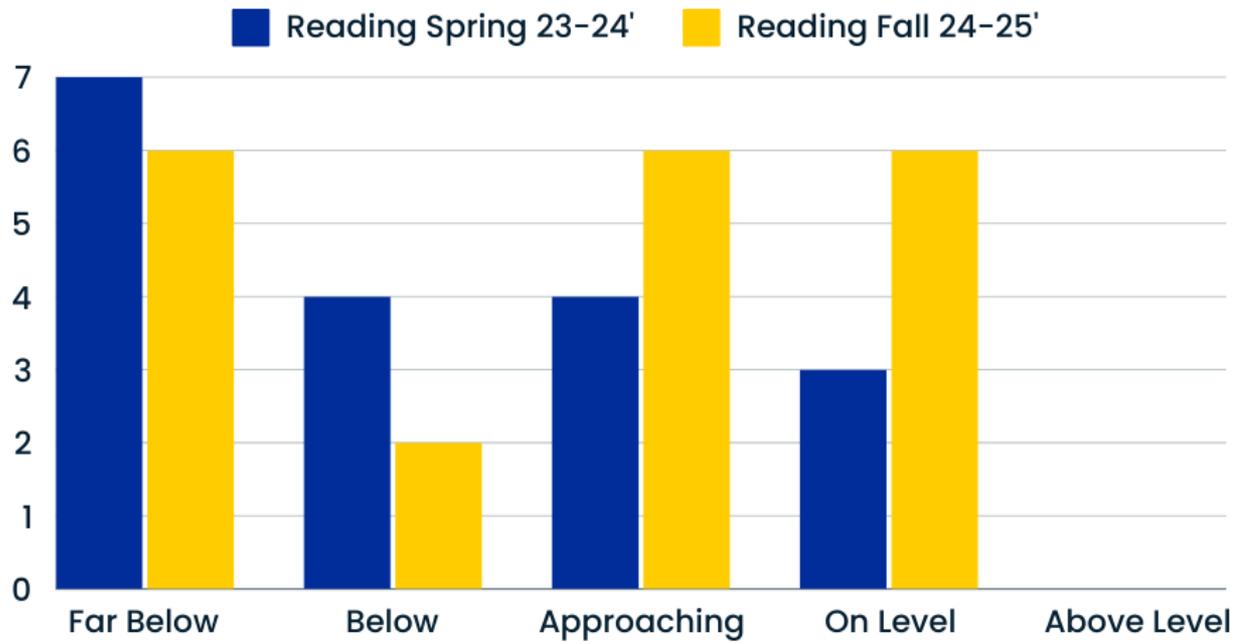

# NWEA MAP GROWTH MATH

An overall increase in the number of students that are On Level and Above Level, this resulting in is a decrease in students classifying as Below and Approaching.

# NWEA MAP GROWTH READING

A decrease in students categorizing Far Below and Below based on NWEA Map Growth screener. While increasing the number of students in the Approaching and On Level categories.

# *SMS Summer School*

- **Recommendations**

- Continue with targeted tier 3 support to improve math and reading skills.
- Targeted recruitment and enrollment of students based on NWEA Map Growth scores.
- Follow elementary model of using teacher recommendations for summer school enrollment at spring parent teacher conferences.
