Re: Lexia Amendment

The Teaching and Learning department annually purchases materials, digital licenses, and instructional professional development in support of the approved Rock Island-Milan School District curriculum. The digital components include online teacher and/or student access to the curriculum as well as intervention materials for math, reading, and science.

RIMSD 41 utilizes the Lexia Learning Systems as a supplemental online reading resource for students in grades 3–5. The original purchase amount for the 2025–2026 school year was **\$47,250.00**. To meet the needs of an increased number of EL students in select EL support courses at the secondary levels, an amendment to the original purchase limit is requested to include additional Lexia *English* student licenses not to exceed \$10,000. This amendment would bring the revised total purchase amount to **\$57,250.00**.

It is recommended that the Board of Education approve the purchase of curriculum materials and digital licenses, including the additional student licenses, for a revised total cost of **\$57,250.00** from Lexia Learning Systems, LLC, 300 Baker Avenue, Suite 202, Concord, MA 01742.

Investment Period: July 1, 2025 - June 30, 2026

Re: **Request to Increase Spending Limit for Previously Used Vendor (Lexia)**

Under Title funding, the Illinois State Board of Education requires public schools to consult with local non-public schools. These consultations result in non-public schools being eligible for portions of our allocated Title I, II, and IV funds. Therefore, on behalf of Jordan Catholic School, we are requesting the approval for the purchase of 40 software licenses for use as an intervention at a cost not to exceed \$1,840.

In accordance with board policy 4:60, the Grants, Assessments, and Accountability Department is requesting the ability to leverage a vendor who, in this fiscal year, has already exceeded the annual dollar amount/threshold. Please note, although this subscription purchase is under the amount necessary for board approval, we are bringing this to you only because we have exceeded the allowable annual threshold for this particular vendor. In May of 2025 the board of education approved a contract for service with Lexia at a cost of \$47,250. As such, any further purchases for this vendor for this year will come to you for approval regardless of the amount.

It is recommended that the Board of Education approve the increasing of the spending limit, and purchase of 40 licenses from Lexia Learning Systems LLC, 300 Baker Avenue, Suite 202, Concord, MA 01742 in the amount not to exceed \$1,840.

Investment Period: September 2025 - June 2026

Total Investment: \$1,840.00
