

# Memo

**To:** Board of Trustees  
**From:** Matt Holtry, Principal  
**CC:** R. Sauer, Superintendent  
**Date:** 5/5/2026  
**Re:** High School Principal Report May 2026

---

Greetings from HHS!

As we enter the final stretch of the 2025–2026 school year, May brings a strong sense of accomplishment, reflection, and celebration across Homedale High School. This month is filled with meaningful milestones for our students and staff, as we honor achievements while preparing for a successful transition into summer. Staff continue to focus on engaging students in meaningful learning experiences, reinforcing essential standards, and preparing students for end-of-semester assessments.

We are proud of the continued positive culture within our school. Our PBIS framework remains a cornerstone of our work, helping reinforce expectations and celebrate student success. This past week's PBIS conference helped reinforce the importance of PBIS and what it means for our school and district as a whole. This month's PBIS theme is GRIT, with a focus on students demonstrating Goals, Relationships, Integrity, and Tradition. As we approach the end of the year, we are emphasizing the importance of finishing what we start, building meaningful connections, acting with strong character, and leaving a positive legacy at Homedale High School.

In addition, May is Mental Health Awareness Month, and we are partnering with our Sources of Strength student group to promote wellness, connection, and support for all students. Activities and messaging throughout the month will encourage students to recognize their strengths, seek support when needed, and contribute to a positive and inclusive school environment.

Graduation is always a highlight of the year, and we are excited to celebrate the Class of 2026 as they complete their high school journey. Their contributions to our school community have been significant, and we look forward to honoring their accomplishments and future plans.

As we close out the school year, I want to recognize the dedication of our staff, the resilience of our students, and the ongoing support from our families and community. Together, we continue to build a school culture that prioritizes learning, connection, and student success.

Matt Holtry

### **Enrollment- 4-30-26**

|                       |               |
