

McKinney Independent School District
#1 Duvall Street, McKinney, Texas 75069

To: Board of Trustees
From: Shawn Pratt, Superintendent
Subject: Resolution Identifying Hazardous Route Conditions
Date: May 18, 2026

The Board shall adopt a resolution to identify hazardous conditions within two miles of a school campus. The resolution shall describe the specific hazardous areas in which students reside who would otherwise be ineligible for transportation. The designation of a hazardous condition allows students to receive transportation to/from school.

In accordance with Texas Education Code § 48.151(d), the minimum requirement for an area to be considered hazardous is where no walkway is provided and students must walk along or cross a freeway or expressway, an underpass, an overpass or a bridge, an uncontrolled major traffic artery, an industrial or commercial area, or another comparable condition.

Impact Statement: Identifying hazardous route conditions within the District allows supplemental state funding for transporting students within the hazard areas.

It is recommended: To approve the resolution identifying hazardous route conditions in McKinney ISD beginning with the school year 2026-2027.

Resource Person(s): Russel May, Sr. Director of Safety & Security

Respectfully submitted,

Shawn Pratt
Superintendent

Melanie Raleeh
Deputy Superintendent
