To the Crosby-Ironton School Board:

I am writing to request approval from the Crosby-Ironton School Board to pursue a cooperative agreement with Aitkin for Girls Tennis, beginning in the Fall of 2026.

The Aitkin Activities Director and I have discussed this opportunity and agree that forming a co-op would be beneficial to the long-term health and sustainability of both programs. Additionally, both head coaches are supportive of this plan. The Aitkin School Board has already granted approval for their district to further explore this opportunity.

At this time, I respectfully ask for your consideration and approval to move forward in developing an Aitkin/Crosby-Ironton cooperative agreement for Girls Tennis.

Thank you for your time and consideration.

Sincerely,

Cley Twigg

Activities Director
