Dear Emily Harris,

Congratulations on your selection by the White House for a Presidential Award for Excellence in Mathematics and Science Teaching (PAEMST) from Oklahoma in the Science award category. This achievement reflects the significant contributions you have made to the teaching profession and in the areas of science, technology, engineering, and mathematics.

The PAEMST Team at the National Science Foundation (NSF) is currently working with the White House Office of Science and Technology Policy (OSTP) to make arrangements for you to receive your \$10,000 award. Your reviews from the National Selection Committee will also be made available to you shortly.
