

Can you believe we are at the end of the school year? BES staff and students worked hard in May to complete testing. We finished with a 94% completion for Aimsweb testing. It was a year of learning and growing. We are looking forward to another year together at BES. Have a great summer!

linii Days and Arbor Day Celebration provided students with a fun-filled day of learning and discovery. Students participated in a variety of engaging STEM activities that encouraged creativity, problem-solving, and teamwork. Throughout the day, excitement and enthusiasm could be seen on every face as students explored hands-on learning opportunities. The smiles went on for miles as they celebrated, learned, and enjoyed spending time with their classmates. It was a wonderful experience that combined education, culture, and fun for all involved.

The Second Grade Field Trip to St. Mary was a memorable learning experience for students. The class spent the day with park rangers in St. Mary, where they explored the outdoors and learned about the local environment. Students enjoyed a scenic hike, discovering the beauty of nature while gaining knowledge about the area. During lunchtime, they had the opportunity to play the traditional stick game, adding a fun and cultural component to their day. The trip provided students with a valuable combination of outdoor education, physical activity, and hands-on learning.

Fun Friday activities gave students the opportunity to choose how they wanted to celebrate and be rewarded for their hard work throughout the school year. Students enjoyed a variety of engaging activities, including making stress balls, creating edible treats and drinks, decorating sidewalks with colorful chalk art, and playing basketball in the gym. The day provided a fun and relaxing atmosphere where students could spend time with friends, express their creativity, and celebrate their accomplishments. It was a wonderful way to recognize their dedication and end the school year on a positive note.

BES End-of-Year Social Dance was a great success! Students and parents enjoyed coming together to celebrate the end of the school year through music, dancing, and fun activities. It was wonderful to see families participating in the dances and creating lasting memories. Thank you to everyone who helped make this event such a positive and enjoyable experience for our BES community.

2nd grade—67.87%

3rd grade—71.77%

BES average for the month of May was 69.60%
