

SERVICE ANIMALS

The Nye County School District is committed to providing equal access to its programs, activities, events and facilities and will not discriminate against any individual regardless of that individual's disabilities. Individuals who, because of the nature of their disability, require the assistance of a "service animal" to access District programs, activities, events and facilities shall not be denied access subject to the following:

1. For the purposes of this policy, the term "service animal" means:
 - a. Any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability.
 - b. A miniature horse if the miniature horse has been individually trained to do work or perform tasks for the individual's benefit, subject to the following considerations:
 - (i) The type, size and weight of the miniature horse and whether the facility can accommodate these features;
 - (ii) Whether the handler has sufficient control of the miniature horse;
 - (iii) Whether the miniature horse is housebroken; and
 - (iv) Whether the miniature horse's presence in the specific facility compromises legitimate safety requirements that are necessary for its safe operation.
2. All other species of animals, whether wild or domestic, trained or untrained, are not service animals for purposes of this policy.
