**CLASSROOM STAFFING RATIOS  
and COURSE OFFERINGS**

**NO ACTION REQUIRED**

**SUMMARY:**

**A brief update will be provided on projected class size averages for 2026-27.**

**This is meant to give the Board a general sense of how staff are distributed in relation to student enrollment and class sizes currently projected at each grade level given current enrollment. This is meant to provide context for future staffing and planning conversations.**

**Additionally, we will provide a brief overview of additional classes being added back to the course schedules for 2026-27.**
