The Southeastern Color Guard Circuit is a regional group comprised of Tennessee, Alabama, Kentucky and Mississippi. Last year was Tupelo's first year to compete in this circuit. We want to push the students to excel by entering a more difficult, yet educational circuit. Our percussion group was the undefeated PIA regional division champions and our colorguard groups placed in the top three at every show. In addition, one of the guards placed 3rd at the regional championship. We are trying to continue to push the talent level and skills of our students to make them better performers, not in just Mississippi but throughout the United States. This circuit is the next step for us before we attempt to compete on the National level. If you would like more information, the SCGC website is www.scgconline.org

*Below is the list of our competition schedule.

Feb 11	Prattville High School	Prattville, AL
Feb 18	Independence High School	Thompson Station, TN (Nashville Area)
Mar 9 & 10	Hoover High School	Hoover, AL (OVERNIGHT)
Mar 30 & 31	Belmont University - Indoor Regional Championships, Nashville, TN (OVERNIGHT)
