Subject: Football Equipment Use

On behalf of Timberlake High School, we are requesting written permission to utilize our school-owned protective equipment for an upcoming camp/clinic, in accordance with Rule 17-1-4 of IHSAA regulations.

In compliance with the rule, we are submitting the following details for your consideration:

We would like to have a Freshman (just finished 8th grade) Camp padded practice June 3rd-4th. Then camp (padded) June 8th-12th. During which we will utilize the school's protective equipment for a period of seven days within the ten-day period.

Varsity and Jv Camp padded practice June 10th-12th and camp with pads June 15th -18th. During which we will utilize the school's protective equipment for a period of seven days within the ten-day period.

We recognize that IHSAA-sponsored catastrophic insurance provides no coverage for this activity, and that all liabilities rest solely with the school, the camp, or the clinic.

We appreciate your attention to this request and look forward to your approval.

Thank you for your time and consideration.

17-1-4 Protective Equipment No school-owned uniforms and/or protective equipment may be used without written permission from the IHSAA. With that permission, schools may use their own protective equipment in a camp or clinic for a period of seven days within a ten-day period upon written request from the trustees of the school. Included in the request shall be a statement of recognition that IHSAA sponsored catastrophic insurance provides no coverage for the activity and any and all liabilities rest solely with the school, camp, or clinic. Individual students from a specific school are not required to use the school's protective equipment in the same camp as other team members. Each individual student will only be allowed to use an IHSAA member school's protective equipment by renting or loaning for a period of seven days within a ten-day period.

This approval must be forwarded to the IHSAA. Thank you!
