Agenda Item II-G: Joint Purchasing Contract Award – Apollo Renovations Locker Replacement
Presented by: Amy Skaalerud, Executive Director of Finance & Business Services

Background:

The Apollo referendum project includes replacing lockers. This is a specialized product with very few vendors to purchase from, which is why the purchase is being made through a joint purchasing contract. The equipment is being purchased through the Sourcewell Joint Purchasing Contract #110923-DBM.

This project will be funded with proceeds from the 2025A School Building Bonds.

Administration Recommendation:

The Administration recommends that the Board of Education enter into a contract with H2I Group under the Sourcewell Joint Purchasing Contract for the Apollo Renovations Locker Replacement in the amount of \$418,686.00.
