2026 HEALTH INSURANCE RENEWAL

BADGER SD

www.mnhc.gov

Health insurance is a need and providing it can be a challenge for organizations of all sizes. The Minnesota Healthcare Consortium (MHC) is a partner in bringing Minnesota schools, cities and counties the best plans at the best pricing, along with extensive wellness resources to serve the needs of the population.

MHC is the second largest health insurance pool in the state behind the State of Minnesota. We negotiate statewide pricing and create a large, diverse membership that reduces costs for everyone, including taxpayers.

Many insurance programs seek to control costs by limiting access to only select health care providers and pharmacies. MHC believes it is important to maintain access and choice by providing flexible options for groups and employees.

With MHC, enrolled groups may:

- Choose from the broadest provider and pharmacy networks.
- Access a seamless national network for out-of-state claims.
- Access the Mayo Clinic for complex healthcare needs.
- Select from the MHC plan portfolio or establish a more tailored plan to meet the group's needs.

Visit our online video gallery and see how we've supported Minnesota public-sector organizations that are the foundation of our communities.

Health Plan Administrator

Rely on MHC and Medica for great service, an extensive network of healthcare providers, and numerous wellness resources designed to empower members to achieve their optimal health.

Medical Spending Accounts

With MHC and WEX Health, you get a team of knowledgeable experts with extensive years of public sector experience. That experience helps guide members in managing their money for current and future medical expenses.

Vision Care

VSP provides a range of options, including voluntary and employer-sponsored plans. Employers have the flexibility to select either a comprehensive plan covering examination services or a materials-only plan.

Group Leader Information

Reminders

- **The Medicare Part D Credible Coverage** – notification will be mailed to all members annually. This is a task group leaders no longer need to complete as it will be managed by our medical carrier.
- **PCORI** – fees are paid by your organization. MHC will send data annually in June for the report due by July 31.
- **IRS deductible indexing** – Annually the IRS adjusts the minimum and maximum annual deductible and other out-of-pocket expenses for high deductible health plans. If you have the minimum or maximum plan MHC will automatically make the adjustment to remain in compliance with the IRS.
- **Filing 1094 and 1095s** - 26 CFR § 301.6011-2(b) and (c) was amended to provide that electronic filing of Forms 1094-1095 is required if the employer files 10 or more forms. Click here for more information: [Electronic-Filing Requirements for Specified Returns and Other Documents](#)

Medica Self Insured (MSI) Administrative Changes

- See attachment for benefit/language change grid. Your service cooperative insurance consultant will review these updates with you after renewal.

Enrollment Platform

Businessolver (formerly Capstone) continues as your platform for enrollment & billing. If contact information for your office needs to be updated, please fill out the [BenefitSolver Access Form](#) and send it to contact your service cooperative consultant and Rebekah at Businessolver.

Plan Documents

- A group leader’s signature is required on the plan documents when plan changes are made. Updated Summary Plan Documents (SPDs) will be available on the Medica Portal for each member once signed.
- Updated Summary of Benefits and Coverage (SBC) will be produced after the signed confirmation is returned. Your plans with MHC are *custom built*, so the SBCs generally take 10-15 business days to produce.

Open Enrollment

- Regional Service Cooperative staff are available to meet with you and/or present to your staff.
- We have materials for you to share with staff related to the new programs available through our partnership with Medica.
- A [pre-enrollment site](#) is available to staff to find information regarding network options, preventative Rx and formulary.

2. The rates are contingent on being the only health plan(s) that you offer.
3. The rates are based on the benefit description and expected enrollment shown for each plan. If you request different benefits, or if your actual enrollment varies from expected enrollment listed by more than 10%, we reserve the right to make changes to the rates.
4. At least 50% of the total number of all eligible employees must enroll in the program for coverage to be offered to your group.
5. The employer must contribute at least 50% of the cost of the lowest priced health plan offered to your employees.

Investing in Wellness for a Healthier Workplace

At NWSC, we believe the everyday choices we make—both at work and at home—can lead to a happier, healthier, and more fulfilling life. That's why we offer a comprehensive Wellness Program designed to support the physical, mental, and social well-being of all participating members and their families.

Our Wellness Program aims to:

- Boost self-esteem
- Enhance job performance
- Reduce sick leave
- Lower health plan usage
- Promote a healthier, more balanced lifestyle

To support these efforts, NWSC provides a **Worksite Wellness Grant** for our Mid-Year insurance groups. Each group receives a **\$500.00 base grant + \$5.00 per subscriber contract**. To access the funds, simply complete and submit a one-page grant form. These funds must be used to support staff wellness initiatives within your organization.

Additional Wellness Opportunities:

- **Statewide MHC Wellness Webinars** are hosted throughout the year, offering information from our partners like Omada, Mobe, My Health Rewards and Medica.
- MHC works with **Medica** to provide ongoing education on a variety of wellness programs accessible to our members.

Together, we're building a culture of wellness—one step at a time.
