## INSTRUCTIONAL SUPPLIES AND EQUIPMENT

The terms "supplies" and "equipment" shall be interpreted in accordance with the Nevada Financial Accounting Handbook and the operational needs of the Nye County School District.

The Superintendent/**Designee** shall establish and implement the regulations and procedures to ensure the selection and purchase of instructional supplies and equipment of the proper quality and amount to facilitate the development, maintenance and evaluation of authorized instructional supplies and equipment.

The staff will establish programs and procedures designed to provide efficient management, needed replacement and effective standardization.
