### **Designation of Identified Official with Authority for the MDE External User Access Recertification System**

The Minnesota Department of Education (MDE) requires that school districts annually designate an Identified Official with Authority to comply with the MNIT Enterprise Identity and Access Management Standard which states that all user access rights to Minnesota state systems must be reviewed and recertified at least annually. The Identified Official with Authority will assign job duties and authorize external user's access to MDE secure systems for their local education agency (LEA). The Board recommends to authorize Bob Jaszczak to act as the Identified Official with Authority (IOWA) for **Red Wing Public School District 0256-01**.
