

# Nippersink District 2 Board of Education

The mission of Nippersink District 2 is to foster academic growth, instill integrity, confidence, and civic responsibility while preparing all students for an ever-changing global society.

## Spring Grove Elementary School March 18, 2026

### Curriculum

Sign-up has begun for Kindergarten Kickoff on June 5, 2026! This special event gives incoming Kindergarten students and their families the chance to meet the staff and participate in our screening process, helping to ensure a smooth transition into the school year. Additionally, both current and new families will have the opportunity to begin online registration for the 26-27 school year starting April 1. We look forward to welcoming our newest learners and their families to Spring Grove Elementary School!

## School Celebrations

Students at Spring Grove Elementary School are diving into a Read-a-Thon that runs through March 19, with an ambitious goal of logging 20,000 minutes of reading while raising \$10,000 to support the school.

Throughout the event, local businesses have generously donated prizes to encourage and reward students for their reading efforts. This year we added traveling trophies for the top classrooms who participate and raise the most money. This exciting initiative not only helps foster a love for reading but also brings the community together in support of education.

A special thank you to the SGE PTO for their incredible support in helping make this event possible!

The Read-a-Thon will also feature a special Reading Night on March 16 at the school, where students and families can celebrate their reading achievements and enjoy a fun-filled evening dedicated to literacy.

### SGE Reading Night

Monday, March 16<sup>th</sup>, 6:30-8:00pm
