LEAVING SCHOOL BUILDING DURING SCHOOL DAY

Licensed P personnel should not leave the school grounds at any time during the school day without the knowledge and approval of the Principal or Head Teacher. This ~~does not include the lunch period and~~ does not apply to those employees who regularly call at all schools and/or students' homes.

Licensed P personnel may be excused by the Principal to leave the building for important school business ~~or: Licensed personnel may be excused by the Principal~~ for service club attendance, provided the absence does not interfere with their position assignments.

Arrangements for educational field trips are made with the consent and direction of the Principal.
